

# Calm Compass Design Document

Carlos Santiago Cruz Díaz - 0264547

Rodrigo Zatarain Aguirre - 0267814

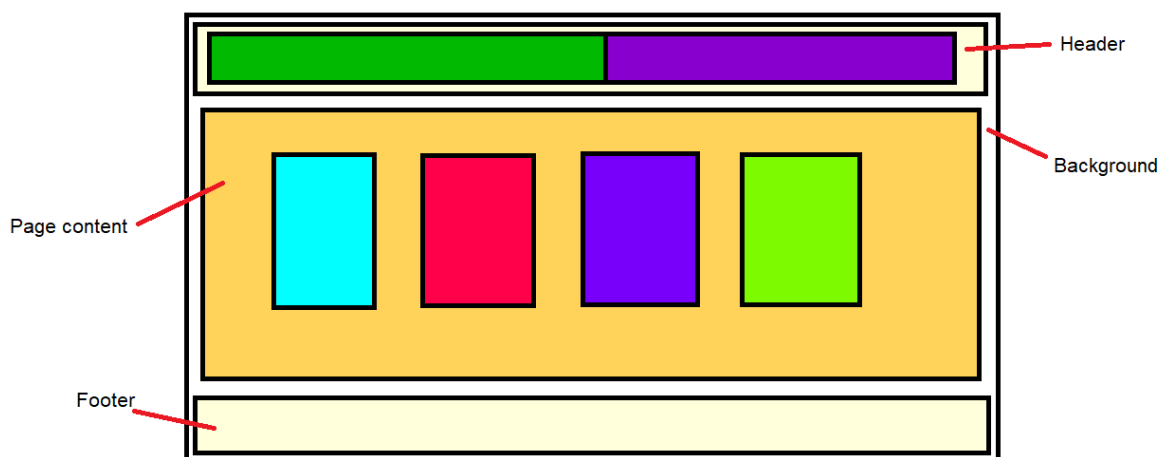

Iker Jesus Ortiz Rojero - 0263663

29/11/2024

There were a couple of tweaks to the page design to accommodate a specific user request. A change was made to the color palette, replacing bright hues with softer, less flashy colors, in order to offer a more relaxing and less stimulating visual experience. This change seeks to maintain the positive focus of the design while accommodating the preferences of those who prefer a more serene and balanced aesthetic, without compromising the clarity or functionality of the site.

Colors and page distribution on partial 1 and 2:
